

H-20.914 Discrimination and Criminalization Based on HIV Seropositivity

[H-20.914](#) Discrimination and Criminalization Based on HIV Seropositivity Our AMA: (1) Remains cognizant of and concerned about society's perception of, and discrimination against, HIV-positive people; (2) Condemns any act, and opposes any legislation of categorical discrimination based on an individual's actual or imagined disease, including HIV infection; this includes Congressional mandates calling for the discharge of otherwise qualified individuals from the armed services solely because of their HIV seropositivity; (3) Encourages vigorous enforcement of existing anti-discrimination statutes; incorporation of HIV in future federal legislation that addresses discrimination; and enactment and enforcement of state and local laws, ordinances, and regulations to penalize those who illegally discriminate against persons based on disease; (4) Encourages medical staff to work closely with hospital administration and governing bodies to establish appropriate policies regarding HIV-positive patients; (5) Supports consistency of federal and/or state laws with current medical and scientific knowledge including avoidance of any imposition of punishment based on health and disability status; and (6) Encourages public education and understanding of the stigma created by HIV criminalization statutes and subsequent negative clinical and public health consequences. (CSA Rep. 4, A-03; Reaffirmed: CSAPH Rep. 1, A-13; Appended: Sub. Res. 2, A-14)
